

What is 90 Ball Bingo?

The 90 Ball Bingo looks very much like the 75 Ball Bingo, except that the ticket has 6 blocks, where each block consists of 9 horizontal boxes and 3 vertical boxes.

Not all boxes have a number, some of them are blanked out to make the 90 Ball Bingo even more exciting. These empty boxes are already marked beforehand.

The 90 Ball Bingo also has an added 3rd round into the game. So instead of 2 rounds, you have 3 rounds chance to get that Bingo!
